Sirisha Fulara

sirishafulara@gmail.com +91 9718436407 Portfolio

Education

Maharaja Surajmal Institute of Technology B.Tech-IT Delhi, India [2023-2027]

Projects

1.Route Optimizer (https://route-optimizer-2.onrender.com)

Tech: C++, Python, Flask, REST API

- Built Dijkstra's algorithm in C++ for optimal route planning.
- Linked C++ with Flask backend for smooth API communication.
- Designed REST APIs for fast, scalable route queries.

2. QuoteCraft (https://quotecraft.onrender.com/)

Tech: Python, React, Machine Learning, Flask, JWT Authentication

- Built a full-stack app generating Al-curated motivational quotes using NLP.
- Developed a Flask backend + React frontend for smooth ML integration.
- Deployed on Render with real-time quote generation and seamless UX.

3. Predictify (https://predictify-1.onrender.com)

Tech: Python, Flask, React, Machine Learning, REST API

- Built an Al/ML-powered loan approval system for accurate eligibility prediction.
- Included SHAP feature and dashboard for visualization.
- Developed a Flask backend with ML models and integrated a React frontend.
- Designed REST APIs for seamless client-server communication and deployment.

4.PitchBotX (https://pitchbotx.onrender.com)\

Tech: Python, Flask, React, Gemini API, Spline, AI

- Built an Al-powered pitch generator to craft startup pitches dynamically.
- Integrated Flask backend with Gemini API for NLP-driven pitch creation.
- Developed a React frontend for smooth user interaction and real-time output.

Technical Skills

• Languages: C++, Python, SQL

• **CS Fundamentals:** Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP)

• Al/ML: Machine Learning, Deep Learning, NLP, Neural Networks

Frameworks: Flask, React.jsDatabases: MySQL, MongoDB

• Tools: Git, Framer

Soft Skills

- Problem Solving & Analytical Thinking
- Effective Communication & Collaboration
- Content Writing (Certified by E-Cell)

Certifications

- Object Oriented Programming in C++ [View Certificate]
- Web Development -[View Certificate]
- Python Programming [View Certificate]
- Machine Learning & AI [View Certificate]
- Al Fundamentals by IBM [View Certificate]
